### Parent comments December 2019

- We have been very pleased with the progress our son has made since attending Ashbourne Primary School. The staff are very approachable and have your child's best interests at heart.
- Everything is always dealt with so quickly.
- I haven't seen many clubs available to the juniors.
- I absolutely recommend the school.
- Always amazed at how quickly everything is dealt with, thank you.
- Always recommend the school.
- We are absolutely delighted with how our little boy has settled into Reception. He loves coming to school everyday and is making excellent progress. His teachers are fantastic and they make his experience very exciting.
- Our year 6 daughter has settled well into her new year group. Her teachers are really helping to develop her confidence in all areas of learning including P.E. We are delighted that she has been encouraged to start running and take up orienteering as she loves both. The extra small maths group session which she attends weekly is really helping to improve her confidence too. Her teachers are fantastic. Many, many thanks.
