

We are incredibly happy with the school. I cannot recommend it enough. It's been better than our expectations. Mrs Shaw and Mrs Powling are great assets to the school.

My child is thriving at school and enjoys all of the work and playtime. She especially loves Forest School so more of that if possible.

Continued high expectations from the school. Great knowledge of my child and her strengths and weaknesses. Continued high expectations by Miss Davis has driven my child to succeed.

We are very happy!

Really pleased with how well my child has settled and is enjoying this school, all staff seem really friendly and helpful. Some of the staff I've spoken to about problems have dealt with issues straight away – really happy

Again, the difference in my children since attending Ashbourne Primary School has had an impact on our whole family. Our boys are so happy to come to school, they have made lots of friends and speak affectionately about the staff. Happy children, happy learners

Excellent teachers and TAs. Professional and well led. Love the class dojo. Great communication

For a large primary school, I find the behaviour of the children very good and I can compare this to other schools I visit.

Excellent communication from the teachers who are both very approachable. Also very good wrap around care provision; Mrs Wilton always goes the extra mile to ensure children are happy.

Since my child has moved to Ashbourne Primary I have seen a change in her attitude towards going to school. She is now a happy little girl who loves to go to school. Thank you!

My child has enjoyed school and has been happy in his classes. He has made great progress since starting and is becoming more confident too. Thanks to Miss Whysall and staff at school. He has really liked his teachers.

We would like to take this opportunity to thank everyone at Ashbourne Primary School for providing our girls with the best junior education possible. They are both making excellent progress and absolutely love coming to school. They have so much fun with you all! It really is an excellent school. Many thanks.

Excellent SEND provision

My child has come on loads at Ashbourne Primary.  
All very good – very excited everyday for school

Positives from parents
