

Ashbourne Primary School

English Scheme of Work

2025/2026

Our English Intent

English at Ashbourne Primary School develops competent, confident and creative readers, writers and speakers. Our work is underpinned by our vision 'Excellent effort always matters'. Our Three Golden Threads run through our entire curriculum and our PRAISE aims are at the heart of every lesson our focus on the removal of barriers to learning is firmly embedded into all areas of the English curriculum. One of our Golden Threads is Language and Literacy. This is explicitly taught across all subjects through reading, talk and writing, ensuring all pupils can access, retain and apply knowledge effectively.

At Ashbourne Primary School, we believe that a quality English curriculum should develop the children's love of reading, writing and discussion. Our English curriculum aims to provide the foundation for reading through phonics; for children to read fluently and widely and be able to express their preferences and opinions about the texts that they have read. We intend to provide an English curriculum which inspires a love and enjoyment of reading as well as being a tool to access information and to communicate with the world.

We want our pupils to understand that Writing is also a tool for communication, through which their voice and ideas can be heard. This is demonstrated through our text-based approach to teaching. We aim to provide pupils with opportunities to access a range of texts and authors.

It is our intention that after completing the English curriculum at our school, pupils will have developed their skills and confidence to tackle a range of texts and to write for a variety of purposes and audiences, so they can effectively communicate with the wider world.

How is English taught at Ashbourne Primary School?

Much of our English work at Ashbourne Primary School will be text based, with children enjoying a wide and varied range of texts and genres. Key skills in reading, writing, speaking and listening will be developed and consolidated upon, before children are then stretched and challenged through a range of exciting learning opportunities.

- Teaching and learning styles will reflect and support the overall development of English with a great emphasis on speaking and listening and modelled/shared writing.
- A variety of teaching and learning strategies will be used to give all children the opportunity to develop their literacy skills.
- Children will be given a chance to work within a variety of learning situations including: whole class, guided work, independent work, group work, paired work, problem solving, hot seating and discussing.
- Differentiated and challenging activities will be given to support and extend.
- Drama and role play will be used to develop children's spoken language and immerse themselves with the texts.
- Rhymes and songs are used across school to aid children's learning of key concepts in English, for example:
 - Verbs – 'A verb, a verb, a verbs a doing and being word.'
 - Adjectives – 'Ad-Ad-Adjectives, des-des-describes.'
 - Adverbs – 'Adverbs, adverbs, adverbs tell us more about the verb.'

How is Reading taught at Ashbourne Primary School?

At Ashbourne Primary School, we follow the 'Totally Pawsome Reading Gang'. These key reading skills encourage deeper thinking and understanding as well as helping the children to understand the questions that we are asking them and the skills that they are using. Sessions are designed to be fun and interactive and children's achievement is carefully and frequently tracked to ensure progress is rapid.

Please see our separate Reading Scheme to find how reading is taught in EYFS, KS1 and KS2 and the 'Totally Pawsome Reading Gang' skills that are used to support our reading lessons in each year group.

During the daily reading sessions, children are often expected to form written responses to a text. A variety of question styles are used (one word answers, multiple choice answers, 3-mark answers)

Writing in EYFS

At Ashbourne Primary School, we value every mark made by the children. This mark making, gradually evolves to include letters and then words. By valuing their emergent writing we develop confident 'writers'. The children very quickly begin to apply their understanding of phonics when they are writing and celebrate the fast progress they make. We aim to:

- To provide a literate rich environment for children to learn in
- To foster children's writing development based on their individual interests
- To make children aware of the different forms and purposes of writing
- To provide cross curricular opportunities for children to write
- To develop children's speaking and listening skills in order to allow them to become confident writers
- To provide concrete experiences for children to write about
- Children to develop into confident, independent writers with a love for writing.

In EYFS, writing is incorporated into the learning across the curriculum and developed through adults skilfully intervening in play. Writing is taught by making use of planned and spontaneous opportunities for writing, both indoors and outdoors. These include;

- Emergent writing (Children work independently in provision to produce pieces of writing, which may include drawings, symbols or letters)
- Modelled writing (where an adult models how to write, thinking out loud)
- Shared writing (where children and adult work together to produce a piece of writing)
- Guided writing (where an adult works 1:1 or with a small group and children are given support and guidance to produce their own writing)

To assist the children with their pre-writing skills, adults will provide lots of opportunities to develop the muscles and hand movements through both large and fine motor activities, in order to prepare the hands for the process of handwriting. These will continue all year in the different areas of the classroom and predominantly in our 'funky fingers' area. We also use 'Drawing Club' and 'Pen Disco' to help children develop their pre-writing skills.

Children in EYFS learn to write through the following stages;

- Mark Making – including scribbles, drawing shapes and lines
- Emergent writing – writing groups of random letters
- Labels and names – children learn to write their own name and some labels
- Writing using initial sounds – children write a word or short caption using initial sounds
- Writing CVC words – children begin to write CVC words
- Writing short captions and simple sentences – children begin to write a short, simple sentence independently

Writing in Key Stage 1 and Key Stage 2

- Teaching and learning styles support the overall development of speaking and listening and modelled/shared writing.
- A variety of teaching and learning strategies will be used to give all children the opportunity to develop their literacy skills.
- Children will be given a chance to work within a variety of learning situations including: whole class, guided work, independent work, group work, paired work, problem solving, hot seating and discussing.
- Activities are varied and tailored to children's needs to support and extend their learning.
- Drama and role play will be used to develop children's spoken language and immerse themselves with the texts
- A range of stimulus are used to support children's writing, including: experiences, writing hooks, objects, video clips and pictures.
- Writing is split into the subtopics of transcription, composition and vocabulary, grammar and punctuation. See the National Curriculum objectives for Writing below.
- Talk for Writing strategies help children orally rehearse before writing.

Unit Structure

Class Teachers work from a medium-term plan, which then feeds into a weekly plan. A unit of writing is generally taught in the following parts:

1. Immerse children in the text through experiences, hooks and introducing the book
2. Develop spoken language and oracy of the text
3. Practise key skills, e.g. punctuation, conjunctions, vocabulary
4. Plan independent writing ideas in a range of creative ways
5. Model short-burst writing using skills previously taught
6. Children then write independently applying the skills learnt
7. Edit and proofread independent writing
8. Publish work in a variety of creative formats

Lesson Structure

English is a compulsory lesson for all primary school pupils and it's taught daily in Key Stage 1 and Key Stage 2 for at least one hour. The English lesson is taught in 3 parts – Starter, Main Teaching, Plenary. Every lesson will have a clear and child-friendly WALT that the teacher will unpick at the start of the lesson. As stated in our Marking and Feedback policy, the children will mark their own work where appropriate and make corrections in green pen.

Text Types

The majority of our Writing lessons at Ashbourne Primary School will be text based, with children enjoying a wide and varied range of texts and genres. The main text types used to support the teaching of Writing are Fiction, Non-Fiction and Poetry. This includes narrative writing, poems, newspaper reports, letter writing and biographies.

Extended Writing

Extended Writing allows children opportunities to plan, write, edit and publish their skills independently. It is expected that children in Key Stage 1 produce 2 pieces of extended writing per half-term and children in Key Stage 2 produce 3 pieces of extended writing per half-term. For some independent writes, the children can be given a success criteria of what they need to include. Green pen can be used for editing pieces of independent writing.

Handwriting

At Ashbourne Primary School, we follow Unlocking Letters and Sounds Handwriting Scheme. In Autumn Term 1, children have a minimum of 4, 20-minute sessions a week. For the rest of the year, children have a minimum of 2, 20-minute handwriting session a week.

Spelling, Punctuation and Grammar (SPaG)

How often is Spelling, Punctuation and Grammar taught?

In Key Stage 1, Spelling, Punctuation and Grammar skills are taught discreetly 5 times per week in 20 minute sessions. Spelling, Punctuation and Grammar are taught alongside our phonics curriculum every morning. One of these sessions will be a weekly spelling test. Children in KS1 are expected to be given 6 spellings to learn per week.

In Key Stage 2, Spelling, Punctuation and Grammar skills are taught discreetly at least 3 times per week in 20 minute sessions. One of these sessions will be a weekly spelling test. Children in KS2 are expected to be given 6 spellings to learn per week.

There will be two spelling lists per year group unless there is an individual child with severe or complex needs who requires separate spellings. This will be decided by the class teacher and SENCo. Weekly spelling lists will be sent home via homework diaries.

Spelling

Spelling is taught both in discrete sessions and is also embedded throughout other learning during the school day. Teachers ensure that spelling rules are being reinforced when teaching any writing-based activity and will correct key spellings within a piece of writing where children have already been taught the spelling or the spelling rule. Children should be able to use spellings from the statutory word lists in the National Curriculum in their independent writing (see word lists below). When teaching discrete Spelling lessons, we use the requirements of the National Curriculum 2014 (see objectives below) to ensure children can do the following:

- Spell new words correctly and have plenty of practice in spelling them, including exception words and homophones.
- Spell words as accurately as possible using their phonic knowledge and other knowledge of spelling, such as morphology (the study of the form of words) and etymology (the study of the origins and development of words).
- Are supported in understanding and applying the concepts of word structure.
- Spell words that they have not yet been taught by using what they have learnt about how spelling works in English.

Spellings are assessed weekly in class via a spelling test and by the summative standardised assessments of Year 2 and Year 6 SATs.

Grammar and Punctuation

Grammar and Punctuation skills are taught in both English lessons and SPaG lessons. Grammar and Punctuation skills are taught explicitly in grammar-focussed lessons before being applied in writing units. In Autumn 1, children in Y1-Y6 are taught a 4 week block of the Place Value of Punctuation from the Grammarsaurus scheme. This enables pupils to underpin the foundations of sentence structure and demarcation before moving onto other writing skills. The skills developed through Grammarsaurus are then consolidated in English lesson starters and English editing lessons.

Speaking and Listening

Spoken language underpins the development of reading and writing. The quality and variety of language which pupils hear and speak are vital for developing their vocabulary and grammar and their understanding for reading and writing. Children need opportunities to:

- Listen and respond to others
- Ask relevant questions
- Oral learning of model texts
- Talk within role play and drama
- Articulate, justify and debate ideas
- Speculate, imagine and explore ideas
- Speak fluently and clearly

At Ashbourne Primary School, we believe children should have the opportunity to access the following:

- Book Talk - understanding and responding to what children read or have read to them
- Language/Vocabulary development – acquiring new words, ideas and knowledge of the world and having the opportunity to talk about them
- Storytelling – retelling well-known and familiar stories to assimilate the rhythms and patterns of story language
- Story making - creating 'new' stories orally and/or as a preparation and rehearsal for writing
- Rehearsing what is to be written – composing sentences orally and refining them
- Preparing for and taking part in debates
- Opportunities to rehearse and learn different texts and present to different audiences.
- Talk for Writing strategies to help children orally rehearse before writing.

Spoken Language in the National Curriculum:

The national curriculum for English reflects the importance of spoken language in pupils' development across the whole curriculum – cognitively, socially and linguistically. Spoken language underpins the development of reading and writing. The quality and variety of language that pupils hear and speak are vital for developing their vocabulary and grammar and their understanding for reading and writing. Teachers should therefore ensure the continual development of pupils' confidence and competence in spoken language and listening skills. Pupils should develop a capacity to explain their understanding of books and other reading, and to prepare their ideas before they write. They must be assisted in communicating their thinking clearly to others and teachers should ensure that pupils build secure foundations by using discussion to probe and remedy their English. Pupils should also be taught to understand and use the conventions for discussion and debate. All pupils should be enabled to participate in and gain knowledge, skills and understanding associated with the artistic practice of drama. Pupils should be able to adopt, create and sustain a range of roles, responding appropriately to others in role. They should have opportunities to improvise, devise and script drama for one another and a range of audiences, as well as to rehearse, refine, share and respond thoughtfully to drama and theatre performances.

English Assessment

Reading:

We assess the children's reading age using the Salford reading test at 2 assessment points during the year (November and May). Reading ages inform teacher assessments.

Children in Reception are assessed against the Early Learning Goals for 'Comprehension' and 'Word Reading' on the EYFS profile.

In Reception and Year 1, phonics is assessed on a termly basis. Children in Year 1 sit the statutory Phonics Screening Check which is retaken in Year 2 by those who did not meet the expected standard. Any children in Year 2 who have not met the expected standard in their phonics screening, will receive phonics intervention in Year 3 in the Autumn term. Please see a separate plan for this.

In the Summer term, children in Year 6 sit the statutory reading SATs paper. Year 2 also sit the non-statutory reading SATS paper. Children in Year 1 and Years 3-5 sit the NFER Reading Assessment in Autumn 2, Spring 2 and Summer 2.

Writing Assessment in EYFS:

Children in Reception are assessed against the Early Learning Goal for 'Writing' on the EYFS profile at the end of the year. Teachers make a judgement on whether the children are 'on track' or 'not on track'. Children's writing is assessed 3 times throughout the year (baseline, December, March) before being assessed against the ELG. During these assessment points, children will be assessed 'on track' or 'not on track' to meet the ELG. Teachers use their professional judgement and knowledge of the children to make these assessments.

Writing Assessment in KS1/KS2:

We assess the children's Writing using our Writing Assessment Grids at 3 assessment points during the year (December, March, July). Our Writing Assessment Grids have been developed from and informed by the National Curriculum objectives. Judgements are informed by teacher assessments. Assessments are moderated termly by our Moderation Team and then data analysis is completed by the Headteacher. From our termly assessments, we can see any gaps in learning and prioritise interventions and support for the following term.

Formative assessments take place day to day. These are made by the class teacher about a child's attainment and progress and go on to inform planning, teaching and learning. These judgements are made through talking and listening to the children, observations and daily marking and completion of our 'Feedback Books'. Children should have a good awareness of themselves as learners and what their next steps are. Our daily assessments ensure children know and understand their 'next steps' through discussion with the teacher, marking, feedback and targets.

In the Summer term, children in Year 6 sit the statutory SPaG SATs paper. Year 2 also sit the non-statutory SPaG SATS paper. Children in Years 3-5 sit the NFER SPaG Assessment in Autumn 2, Spring 2 and Summer 2.

Informing Parents:

An annual report is given to parents each July which includes information about the curriculum in English and an individual assessment of strengths and areas for development. Parents are informed as to whether their child is working at the expected standard, working towards, working below or exceeding expectations for their age and year group. Parents also receive termly report cards, which inform them of their child's performance in the NFER Reading and SPaG assessments. Parent/Teacher Consultations are also held in the Autumn and Spring Terms, which include giving feedback on progress in English.

English Interventions

Reading:

Children identified as needing extra support with word reading (decoding) undertake extra reading practice and/or additional support with phonics as early as possible. Each class teacher has a priority reader list (lowest 20%) as well as a list of children with a reading age below their chronological age and the aim is for these children to be heard read as often as possible. We also run a number of small group interventions for those struggling with comprehension. For children in KS2 who consistently struggle with phonic learning, they undertake 'Whole-word Reading' interventions.

Writing:

Our termly data analysis informs our interventions for the following term. Children identified as needing extra support with Writing after an assessment point are placed into intervention groups and given targeted support. The intervention is determined by what the children's next steps are and any gaps in their learning. Throughout school, handwriting interventions take place in order for children to develop a cursive handwriting style, in-line with Unlocking Letters and Sounds Handwriting Scheme.

Planning

Class Teachers work from a medium-term plan, which then feeds into a weekly plan. The weekly plans have a focus around a specific text, which can be narrative, non-narrative or poetry based. Often planning links closely with a class book or a text that runs over several weeks. Links may be made with other areas of the curriculum. The English coordinator collects MTPs at the beginning of each half-term and will feedback to staff where necessary.

Planning is a flexible document and is used by the teacher and for the children to ensure good progress is made by all.

English Events

We hold many whole-school English events over the school, year to celebrate English!

Each year we celebrate World Book Day and run events such as a 'Vocabulary Parade' and 'Buddy Reading' to promote and celebrate a love of books and to expose children to new vocabulary.

We also hold 'Ashbourne Primary School's Poetry Festival' during our whole-school Communication Topic. For this event, each class learn a poem off by heart and perform this to the rest of the school.

During our whole-school Communication Topic, some classes set 'Talking Homework' to encourage children's spoken language at home and also parental involvement.

We welcome the Scholastic Book Fair each year. This is always a great success! Alongside the Book Fair, we run competitions to win book vouchers to spend, these included designing a new book cover and writing a short story.

We also try to make links with authors to help us promote the love of reading!

We hold school performances at Ashbourne Primary School. Our EYFS and KS1 pupils take part in our Nativity performance each year. We also have a school play in the Summer term which all children are welcome to take part in.

Pupils are provided opportunities to debate and present ideas, developing their speaking and listening and spoken language skills.

English Displays

In classes and around school, we have many areas dedicated to promoting reading. Each class has an inviting reading corner where a small selection of carefully chosen books are available for the children to browse and choose from. The Pawsome Gang members will be displayed in all classrooms for children and teachers to refer to. All classes have a reading display to track our reading over the school year, this is called 'Our Reading Journey'. Book covers are displayed, showing which texts have been read and are being read in each class. This includes books shared during reading sessions, English lessons and class story times. EYFS and KS1 have a phonics display to support children's reading and spelling.

Each class has an English display which is used as a working wall. The English working wall including examples of model texts, children's work, key vocabulary, modelled sentences, Grammarsaurus prompts, WAGOLL etc.

Each class will have their 'Topic Vocabulary' displayed. This will be changed for each class topic. Our 'Topic Vocabulary' will encourage a vocabulary/language rich environment in which pupils are aware of words associated with their class topics and their meanings.

Handwriting Policy

Intent

Handwriting is a basic skill that influences the quality of work throughout the curriculum. By the end of Key Stage 2 all pupils should have the ability to produce fluent, legible and, eventually, speedy joined-up handwriting, and to understand the different forms of handwriting used for different purposes.

Teaching handwriting is a priority. Children need to be able to write without thinking about **how** to write. This enables them to concentrate on **what** to write. Our intention is to make handwriting an automatic process that does not interfere with creative and mental thinking.

Cursive writing is an integral part of the multi-sensory technique enabling pupils to make the automatic sound-symbol relationship for spelling (muscle memory).

Aims

- To know the importance of good handwriting for clear and effective communication.
- To be able to write legibly in a joined script with fluency and speed by:
 - Having a correct grip
 - Knowing that all letters start from the bottom.
 - Knowing that most letters return to the line except v, w, o and r which finish at the top.
 - Forming all letters correctly (properly closed 'a's for instance).
 - Knowing the size and orientation of all letters.
- To establish and maintain high expectations for the presentation of written work.

Expectations

All teaching staff are encouraged to model the cursive style in all their handwriting, whether on whiteboards, displays or in pupils' books. When producing typed resources, e.g. the IWB and task sheets, the cursive font must be used unless there are exceptional circumstances, e.g. children with Dyslexia require a printed font. **A Handwriting poster should be displayed in every classroom, displaying the cursive style.**

Pupils should experience coherence and continuity in the learning and teaching of handwriting across all school years and be encouraged to take pride in the presentation of their work. Our objective is to help pupils enjoy learning and developing their handwriting with a sense of achievement and pride.

Teaching of Handwriting

Handwriting is a cross-curricular task and will be taken into consideration during all lessons. High expectations of handwriting should be reiterated in all subjects. Formal teaching of handwriting will be carried out regularly and systematically to ensure Key Stage targets are met.

Handwriting should be taught explicitly from Reception to year 6. **In Autumn 1, at least 20 minutes, 4 x per week should be spent teaching and practising handwriting. In Autumn 2, Spring and Summer Terms, at least 20 minutes 2 x per week should be spent on handwriting.** Handwriting is taught using Unlocking Letters and Sounds Handwriting Scheme and work will be completed **on the worksheets provided.** Additional handwriting sessions will be needed for those pupils who are working below the standard.

Please see our separate Handwriting Policy for more information.

EYFS Curriculum

At Ashbourne Primary School, we use Development Matters (Non-statutory curriculum guidance for the early years foundation stage) as our guidance throughout the year before assessing against the Early Learning Goals.

Literacy (3-4 year olds)	Literacy (children in Reception)	Literacy (ELG)
<ul style="list-style-type: none"> - Understand the five key concepts about print: <ul style="list-style-type: none"> - <i>print has meaning</i> - <i>print can have different purposes</i> - <i>we read English text from left to right and from top to bottom</i> - <i>the names of the different parts of a book</i> - <i>page sequencing</i> - Develop their phonological awareness, so that they can: <ul style="list-style-type: none"> - <i>spot and suggest rhymes</i> - <i>count or clap syllables in a word</i> - <i>recognise words with the same initial sound, such as money and mother</i> - Engage in extended conversations about stories, learning new vocabulary. - Use some of their print and letter knowledge in their early writing.
