Year 6 Residential 2026

Dear Y6 parents and carers,

Wow - what an incredible few days our Y6 children and staff have had!

It was so lovely to see the children arrive back at school full of excitement and eager to share all their adventures. The staff described the trip as an amazing experience and were incredibly proud of how the children conducted themselves throughout.

The White Hall leaders were full of praise, commenting that this was one of the best groups they have had for many years. They highlighted how willing the children were to give everything a go, support one another and encourage each other.

Even more impressively, Mr Dell, Mrs Stapleton and Miss Lambert – who have all attended around 15 residential trips each – said that this Y6 class is one of the very best groups they can remember. That is hugely high praise and a wonderful reflection of the children's behaviour and attitude.

I am so pleased that both the children and staff enjoyed themselves. It has been wonderful to hear such positive feedback from both the White Hall team and our own Ashbourne Primary School staff.

We are incredibly proud of all the children for the spirit, resilience, kindness and enthusiasm they showed whilst away. They represented our school brilliantly and should be very proud of themselves.

What a lovely way to end the week. Well done, Year 6!

I look forward to hearing even more about it next week!
