School policy – Jewellery

It is our school policy that children may wear a watch and one pair of small stud earrings.

Earrings can be dangerous during activities such as Games and P.E. and therefore should be removed. Children need to be able to remove and replace their own earrings.

An exception will be made to this principle only if a child's ears have been recently pierced. In this circumstance a child will be allowed to leave their earrings in place but must bring plasters or micro-pore tape to cover each earring at the start of the PE/games session. Parents/carers will also need to complete and sign the disclaimer form below, which should be returned to the class teacher. The disclaimer ensures that parents/carers accept responsibility for the risk of injury to their child posed by the wearing of earrings during these types of activities. This arrangement will be for a short period after which the child will be expected to either remove their earrings independently or else refrain from wearing them to school on days when they do PE/games.

Earrings cannot be worn for swimming under any circumstances as tape or plasters can come off in the pool and cause a choking hazard or result in pump room failure.

This approach is in line with Derbyshire County Council best practice guidance and take account of the advice provided by the Health and Safety Executive.

If you are considering ear piercing for your child, please arrange for this to be done at the start of the summer holidays as normally they cannot be removed for at least six weeks after piercing.

If children have other piercings, the class teacher will ask that they are removed for school.

Yours faithfully,

Paula Whysall

Parent/Carer Disclaimer for taping newly pierced ears for PE/games Activities (Not Swimming)

My Child _____ in class _____ had their ears pierced on _____.

In order for them to continue to participate in PE and games lessons, as part of the statutory National Curriculum, I confirm that my child is able to apply tape to cover the earrings that cannot yet be removed. I understand and accept the potential risks associated with my child wearing jewellery whilst engaging in physical activity.
