

Dear Julie,

I hope you've had a great week and have enjoyed spending time with your family. I think it's time for some new learning challenges. It would be great if you can give them a good go and then let me know how you found them.

Your learning challenges for this week are:

- 1) a) To complete further word problems. b) To begin to recognise coins
- 2) To re-write the sentences using the correct punctuation
- 3) Look at the picture Bear and Cub. Discuss the questions with an adult and then write a sentence about a special time with your family.
- 4) Read the text The Zoo Vet with an adult's support when needed. Then answer the questions surrounding the text.

Good luck and if you need any help you can always e-mail me with your adult's permission.

I hope that you carry on working hard and I'll be in contact with you again soon.

From

Miss Bennett
