### Wider Opening of Schools

Dear parents and carers,

Yesterday afternoon, Headteachers received guidance from Derbyshire Local Authority regarding the wider opening of schools. This guidance stated that we should only remain open to pupils who are in the 'Key worker or Vulnerable' group. We have continued to be open to these pupils throughout the 'school closure' period. We were hoping to open to small groups of year 6 pupils in June. However, in light of the SAGE report and the Local Authority Guidance we are not able to do this yet. We have been planning and preparing for this next stage and still hope to be able to offer this as soon as the Local Authority deem it safe to do so. We will keep you informed.

It is always our aim to keep our school community as safe as we possibly can.

Thank you for continued support.

Kind regards,

Paula Whysall

Headteacher
