Overview of teaching

The teaching of art and design at Ashbourne Primary will cover all the content of the National Curriculum 2014, and will include a progression of skills . The Scheme of Work makes reference to Chris Quigley's Essentials Curriculum (Milestones).

The National Curriculum implies that inspiration for art and design could come from any part of the curriculum, children's ideas and experiences. Skills can be taught distinctly (some will need to be) or combined with objectives for other subjects.

Items suggested [in square brackets] are not compulsory and could be chosen from.

Listed materials are not provided to limit expression or experimentation BUT refer to Scheme of Work for other year groups in case what you plan to use is covered in detail elsewhere.
